2. They should talk to DS and DA team before presenting to Daily meeting, Sr Director/VP/SVP level
3. Stop changing topics frequently , needs to have discussion with Walmart team
4. Be honest, please do not mislead
5. Reduce meetings, have meetings whenever it's needed. STOP daily meetings. First produce results, share the result it with DS/DA team with explanation of methodology, techniques, let DS/DA run the code to validate and feedback, then go to Kyle's team, our Sr Director/VP etc. At that point setup the meeting with the management. Kyle's team and our team spent enormous amount of time to validate their numbers
